

Dear Sir or Madam,

As I was looking for gardening supply in one of your catalogues, I found a lawn mower in which I am very interested but the price was missing. I am writing you this letter to solicit a quote, technical specifications but also other relevant information from your company with respect to this item.

If there are any special offers or opportunities to obtain the item mentioned above at reduced price, please be sure to include this information with your response. Please send me your information as soon as possible.

If you have any questions, please do not hesitate to contact me.

Thank you for your assistance.
